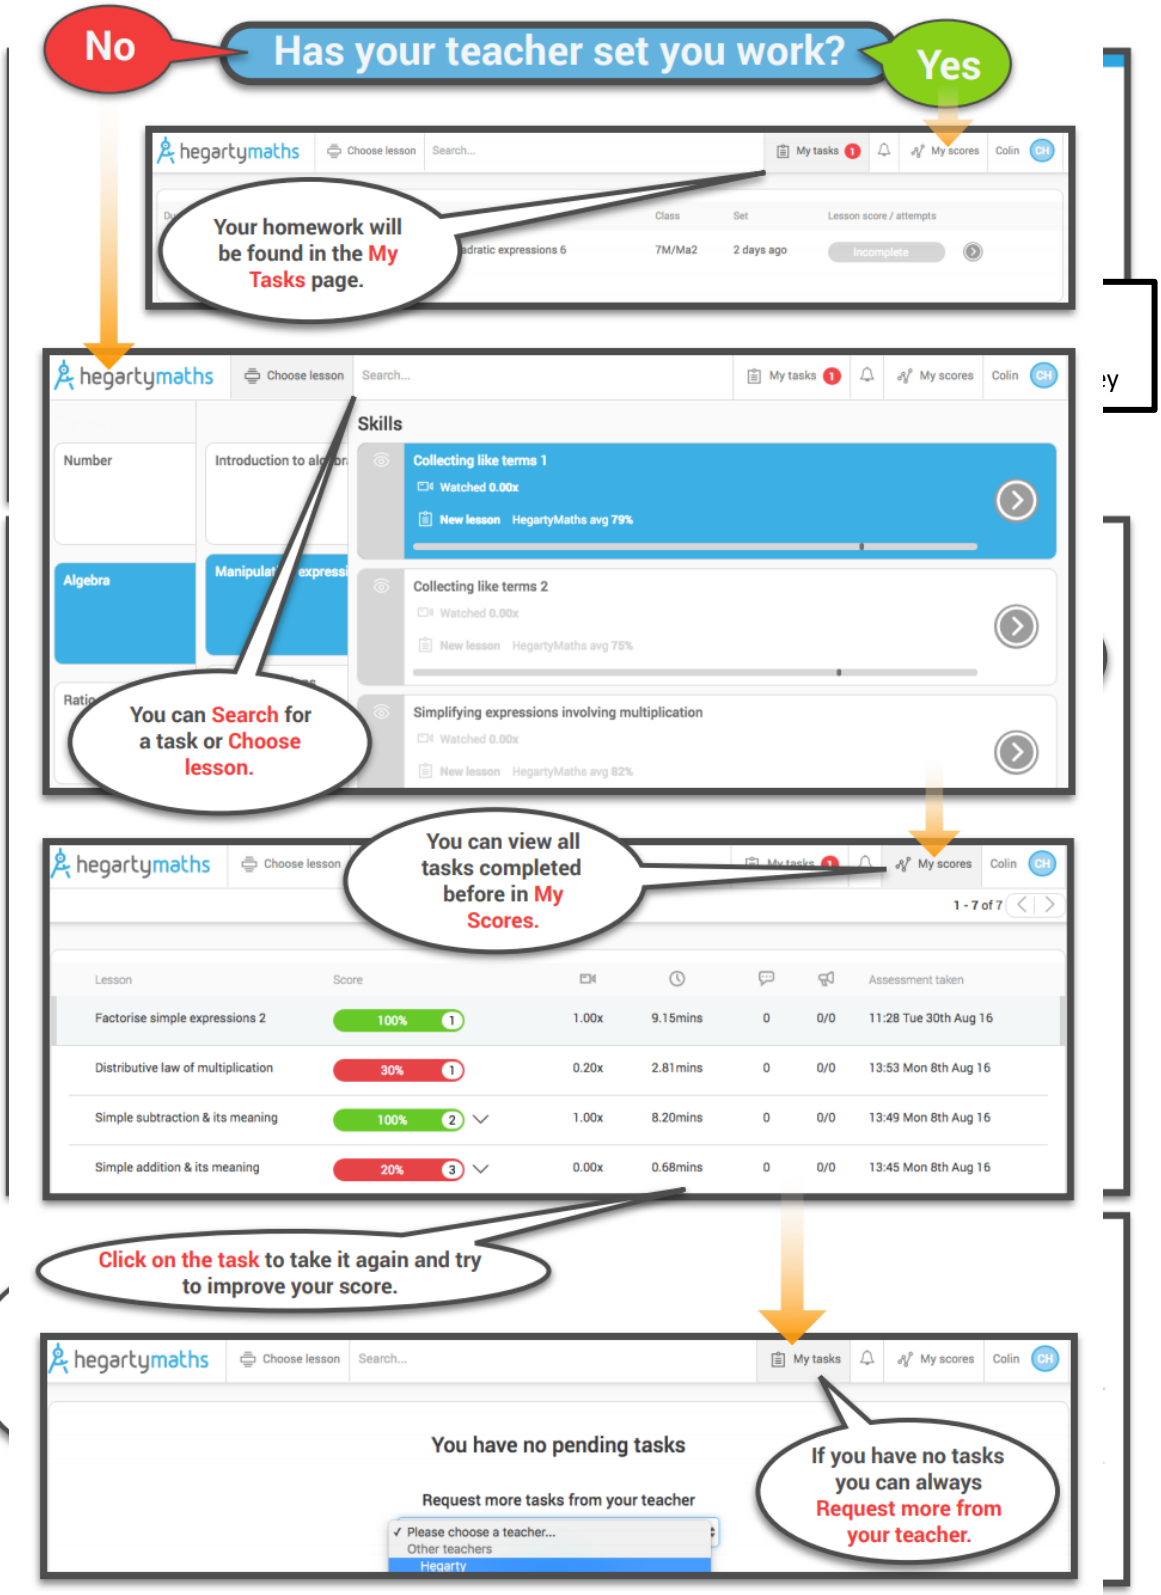
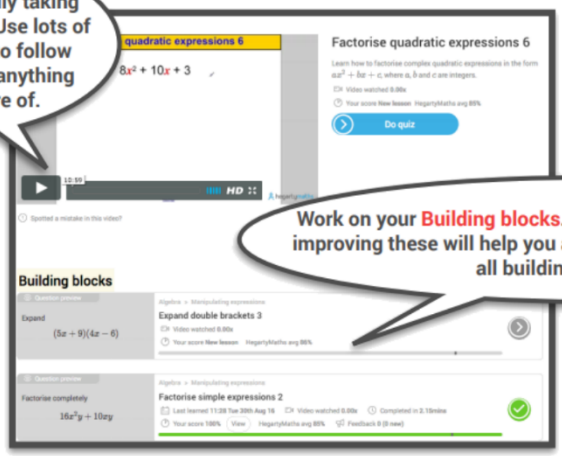
Accessing a task



hegartymaths

Doing a task

Watch the video carefully taking the best notes you can. Use lots of colour and work hard to follow each example. Replay anything you might be unsure of.



Work on your Building blocks. If you struggle with the video then improving these will help you access the task better. Aim to make all building blocks 100%.

Did you understand the video?

No

Yes

Do quiz

What score did you get in the quiz?

100%

Great effort! Why not try the next HW or improve some of your other scores.

70 - 99%

Try the quiz again and work hard to learn from any previous mistakes.

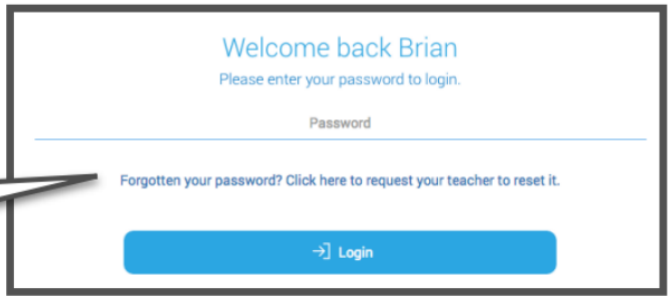
Below 70%

Don't give up. If you have taken full notes of the video, worked on your building blocks and you're still struggling then leave comments for your teacher to ask for help. It's important you make sure you ask your teacher for help to make sure you can eventually get 100%.

FAQ's

What if I forget my password?

This link will notify your teacher that you need the password reset when they next login.



What device should I use?

HegartyMaths will work on any modern device but we recommend a PC or Mac for the best experience. Tablets work well too.

What browser should I use?

HegartyMaths will work on the latest versions of Chrome, Edge, IE and Safari. We do not support Firefox.

Do I have to watch the video?

In short, yes! The video and the quiz are designed together so that you can be successful. The video will show you how to tackle the majority of the problems assessed in the quiz.

What do I do if I think there is a mistake in a question?

Try and explain to your teacher in a comment what you think is wrong. Submit a question problem report.
