Candidate written speech

Fellow students and Teachers of Ormiston Sir Stanley Mathews Academy, I am requesting you choose me to be the voice of our school for OAT voice.

I will be a good representative of OAT voice because I try my hardest to do the best I can possibly be to help the Pupils of this academy and the academy itself to be the best of the best.

To do this I will go to all meetings to contribute and give a myriad of ideas which can make this school an improve place for everyone. In addition to this I will listen to your suggestions and not only to say we should do this, I will give a detailed explanation. However if someone says something I disagree with I will challenge them in a very formal and polite way or explain "we should do that but approach it in the right way", To show I am willing to make our community an improvement to society and everyone around.
