Candidate written speech

Yes, racism is hard to tackle but together we can make a positive change for the better.

Hello friends!

My name is Ndeye and I am a fellow student of OSSMA. I am a candidate running for the next position for the Student Voice. I am willing to represent OSSMA to a high extent. I rise to do my very best to help this school and the pupils of OSSMA to feel comfortable in their own bodies and own beliefs. From the bottom of my heart I genuinely believe that everyone should feel confident to walk with their heads held high and no one should make fun of you for that. Personally, I have experienced racism in school and I believe that nobody should go through that. Nobody should feel like they are disadvantaged just because others have made a rude remark. Be proud! Racism is a prejudice, discrimination and antagonism directed against someone of a different race based on the belief that one's own is superior. This topic spreads out regarding to: colour, religion, beliefs or just simply who you are and where you come from. I am a trustworthy, passionate, outgoing and respectful person and I, Ndeye, will do my absolute best to make you feel confident with who you are! I may be small but trust me my voice will be heard!

Don't be a person watching a good cause go straight past you.

Vote for me and vote for equality. Vote for me and fight against prejudice. Vote for me as it is me, Ndeye, who deserves this position.

I have a dream. Let's do this!
