NOTES

Students with dispensation regarding an agreement to wear a differentiated uniform in keeping with OSSMA standards, e.g. boots or trainers must be black.

For students to be allowed any dispensation they will require medical evidence each academic year. This should be given to the student's Head of Year and will be reviewed each half term.

Parents should be aware that any student arriving at the academy wearing the incorrect uniform can expect to be sent to our Inclusion Hub and will be isolated until the parent/carer can bring the correct uniform. We have spare uniform which students can access each day.

The decision regarding the appropriateness of the above areas of appearance is at the discretion of the OSSMA Pastoral Team.

Students can be challenged by any member of staff regarding suitability of uniform. This will be done at line-ups in a morning and throughout the day.

The academy does not accept any responsibility for the loss of or damage to personal possessions brought on site.

SHOE GUIDANCE

We appreciate that shoes are an expensive item of uniform to purchase. Please ensure that when you next purchase school shoes for your child you purchase shoes and not sports branded footwear. Boots, canvas or leather pumps are also not allowed. This rule applies to both girls and boys. Often shoes in the 'School shoe' section in major retailers do not comply with our policy. Please ensure that you use the following pictures to help you when you purchase.
