Course content

We are very pleased to be able to offer GCSE Spanish as a 2 year course. During this course, students will gain expertise in the four Skill Areas of Listening, Speaking, Reading and Writing. Teaching and learning at GCSE takes place through a variety of ways including the use of online resources as well as some authentic Spanish materials. Extra revision and support classes are also available throughout the course.

Examination

The course has four components.

1	Listening	Exam	Year 11	25% of GCSE grade
2	Speaking	Exam	Year 11	25% of GCSE grade
3	Reading	Exam	Year 11	25% of GCSE grade
4	Writing	Exam	Year 11	25% of GCSE grade

Entry will be either Higher or Foundation Tier. The student will be entered at the relevant tier following consultation with the Teacher in Year 11.

Post-16 opportunities:

Success at GCSE will allow the student to consider further study either to A level and Degree. For those who gain success but do not wish to continue their Modern Language studies, it should be appreciated that – in our modern international trading world – evidence of study of a Modern Language is seen as extremely beneficial by a prospective employer. Most occupations are enhanced by being able to show competence in a Foreign Language.

How can I support my studies at home?

I can use a variety of online learning platforms such as:

SENECA, GCSE bitesize, duolingo, quizlet,

YouTube is a great learning resource for any budding linguist from tutorials on grammar to songs in target language.

Lyrics training app with gap fills to Spanish songs

Netflix, you may think this doesn't belong here, but it does! This is a great resource for improving your reading and listening Skills by watching your favourite films and series in target language as well as watching traditional Spanish shows

Career opportunities
