10<sup>th</sup> February 2026

Dear Parents/carers,

On **Wednesday 25<sup>th</sup> February 2026**, we will host our Y9 options information evening at the Academy for the families of all pupils in Year 9. This is an opportunity for you to visit the academy and meet the subject teams in order to support decisions around options choices.

You will have received communication with details of the event, but as parents/carers of pupils on our SEND register I want to draw your attention to the earlier **5pm** time which will be offered for **SEND pupils only** who may struggle with the larger crowds of the later times.

The same information and subject discussions will be offered in all sittings on the evening, and you are more than welcome to attend at whichever time is most convenient.

Please discuss with your child, which time they would rather attend.

If there are any issues with booking or attending, please feel free to contact me via the below email:

[soakley@ossma.co.uk](mailto:soakley@ossma.co.uk)

We look forward to seeing you all on the evening of **Wednesday 25<sup>th</sup> February 2026**.

Yours sincerely
