

Year 11 – Science November Mocks Revision

Biology Paper 1

- Cell structure
- Cell transport
- Cell division
- Digestive system & circulatory system
- Enzymes
- Plant tissues
- Communicable diseases
- Preventing & treating disease
- Non-communicable disease
- Photosynthesis
- Respiration

Chemistry Paper 1

- The atom
- Covalent bonding
- Ionic bonding, metallic bonding & structure
- The Periodic Table
- Chemical calculations
- Reactions of metals
- Reactions of acids
- Electrolysis
- Endo / Exothermic reactions

Physics Paper 1

- Energy stores & transfers
- National and global energy resources
- Supplying electricity
- Electric circuits
- Energy of matter
- Atomic structure
- Nuclear radiation
